To: Chief, Allocations Branch

COMMENTS OF COASTLINE COMMUNICATIONS OF CAROLINA, INC.

- 1. Coastline Communications of Carolina, Inc. ("Coastline"), by its attorneys and pursuant to Section 1.415 of the Commission's Rules, hereby submits its comments in support of its proposal to amend the FM Table of Allotments by reallotting Channel 249C1 from Georgetown, South Carolina to Garden City, South Carolina and to modify Station WWXM(FM)'s license accordingly. See Notice of Proposed Rulemaking, DA 96-1540, released September 20, 1996 ("NPRM").
- 2. Coastline supports the allotment of Channel 249C1 to Garden City, South Carolina and requests that the Commission modify its authorization accordingly. As the operation of WWXM from its existing site places principal city coverage over the entire community of Garden City, no modification of station facilities is required. See Attachment A (technical support statement).

- 3. In its <u>NPRM</u>, the Commission requested that Coastline provide specific information to demonstrate "whether Garden City has any commercial, social, economic, cultural, or religious organizations, municipal services, or governmental units that identify themselves specifically with that locality." <u>NPRM</u> at ¶ 3. In response to this request, Coastline submits the following information:
- 4. Garden City has numerous commercial organizations that identify themselves specifically with that locality. See Attachment B (page from local telephone book). Garden City Supermarket, Garden City Motor Inn, Garden City Realty, and Garden City Furniture Company are among these commercial entities. See id. Garden City has also formed a merchants' association together with its neighbor, Surfside Beach.
- 5. In addition to these commercial entities, Garden City has a religious organization, fire department and a counselling center, which identify themselves as Garden City Baptist Church, Garden City Fire Department and Garden City Counselling Center, respectively.
- 6. Garden City also appears as a discrete community on maps of South Carolina. See, e.g., Attachment C (map of South Carolina taken from 1994 Gousha New Deluxe Road Atlas).

7. Based on the foregoing, Coastline respectfully requests that the Commission find that Garden City is an identifiable community, distinct from Myrtle Beach, and amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules to reallot Channel 249C1 from Georgetown, South Carolina to Garden City, South Carolina.

Respectfully submitted,

Edward W. Hummers, J.

ENGINEERING STATEMENT

prepared for

COASTLINE COMMUNICATIONS OF CAROLINA, INC. RADIO STATION WWXM GEORGETOWN, SOUTH CAROLINA

This Engineering Statement has been prepared for Coastline Communications of Carolina, Inc., licensee of FM broadcast station WWXM, serving Georgetown, South Carolina on channel 249C1. The instant Statement discusses 1) the mutual exclusivity that would obtain with the existing WWXM assignment if the Commission s Table of Allotments were amended to specify a new community of license, and 2) the existence of other Georgetown FM services besides WWXM.

1. <u>Mutual Exclusivity between the Existing WWXM Assignment and the Proposed</u> Modification

WWXM currently operates on channel 249C1. Section 73.207 of the Commission's Rules specifies a co-channel separation distance of 245 kilometers for Class C1 facilities. The principal city contour for a maximum class C1 facility operating at 100 kilowatts effective radiated power with an antenna height above average terrain of 299 meters extends approximately 50 kilometers. The present WWXM facility provides predicted 70 dBu (3.16 mV/m) coverage of both Georgetown and Garden City. Transmitter sites serving these cities could not be further than 100 kilometers apart (2 x 50 kilometers). Thus, a change in assignment to Garden City as the community of license must result in a facility that is mutually exclusive with the existing WWXM assignment.

2. Other Facilities Providing Local Service to Georgetown, South Carolina

A search of the FCC's engineering data base shows two full-service FM stations, and two AM stations besides WWXM, that are currently licensed to Georgetown, South Carolina.
